How did you participate in the Carolinas Honors in Action project?

- 1) Plan a community sports/gaming event to bring all members of the community together. You can choose from activities such as kickball, soccer, flag football, table top games, card tournaments, etc.
- 2) Identify an organization, business, or charity and set up an event that either educates or demonstrates how we need to play it forward. Consider using community centers or recreation centers such as YMCA or YWCA.
- 3) Spend quality time with members of our community who may feel excluded at times. Consider including both children and adults with disabilities, the elderly, and the homeless.
- 4) Get in contact with a local Big Brother Big Sister organization to fill in the mentorship needs within the community.
